

# **Help Needed!**

## **Volunteer weekend - 1<sup>st</sup> and 2<sup>nd</sup> November 2008**

**The Glenelg Ferry Community Interest Company is seeking assistance from willing volunteers to help with the up-keep of the ferry.**

**It is proposed to hold a volunteer weekend at the end of the season in order to carry out much needed cleaning and maintenance of the ferry in preparation for the winter lay-up.**

**This is an opportunity for people who already have an interest in the ferry to contribute towards its survival with some hands-on work. No technical knowledge is required, you just need to bring suitable workwear and a willingness to (literally!) “muck-in”.**

**A bonus for volunteers is that you will receive *free accommodation* for the weekend and, as the weekend will coincide with the bonfire night celebrations, you will be able to enjoy a firework display as well.**

**If there is a good and positive response to this initiative it is hoped to hold such weekends at the beginning and end of each sailing season.**
